

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

AVAILABILITY OF MONITORING DATA FOR UNREGULATED CONTAMINANTS FOR

HURRICANE CITY OF, WV3304005

Our water system has sampled for a series of unregulated contaminants. Unregulated contaminants are those that do not yet have a drinking water standard set by the US Environmental Protection Agency (EPA). The purpose of monitoring for these contaminants is to help EPA decide whether the contaminants should have a standard. As our customers, you have a right to know that this data is available.

If you are interested in examining the results, please contact:

Vernon S. Fisher at (304) 562-6751
(Contact Name) (Phone Number)

or

City of Hurricane

3255 Teays Valley Road, Hurricane WV 25526

(Mailing Address)

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
